

HEYCO®
a PennEngineering® Company

Engineered Component Solutions
for the HVAC and Refrigeration Industries

An Industry-Leading Resource for Engineered Components to Meet a Wide Range of HVAC and Refrigeration Related Fastening, Mounting, and Wire Management Needs

If it involves hot, cold or somewhere in-between, nobody offers a more comprehensive selection of engineered component selections for HVAC and Refrigeration manufacturers than Heyco. With decades of experience in the design and manufacture of these components, nobody is better equipped to work closely with you to identify your needs, ship samples for your quick evaluation, and deliver in-stock parts when and where you need them once you place your order.

If your product or system application is a custom designed component solution, our unparalleled in-house design and engineering departments, combined with our state-of-the-art manufacturing facility, stand ready to help you take your product or system from concept to completion.

Standard in-stock products and components include:

HVAC

Heyco® Nylon Cable Clamps – Screw Mount

Heyco® Dome Plugs

Heyco® Open/Closed Bushings

Heyco® Open/Closed Universal Bushings

Heyco® Snap Bushings

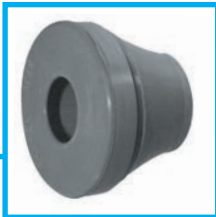

Heyco® Shorty Plugs

Heyco® Universal Bushings

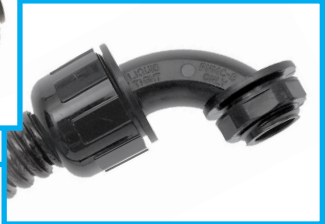

Heyco® EPDM Snap-in Liquid Tight Bushings

Heyco-Flex™ I Liquid Tight Conduit

Heyco-Flex™ Liquid Tight Conduit Fittings – Straight-Thru and 90° Sweep, NPT

Heyco-Flex™ II Liquid Tight Tubing

Heyco-Flex™ III 94V-0 Liquid Tight Tubing

Heyco-Flex™ III Liquid Tight Fittings – Straight-Thru and 90° Sweep, NPT

Refrigeration

Heyco-Flex™ Quick Twist Conduit Fittings – Straight-Thru and 90° Sweep, NPT

Heyco-Flex™ III 94V-0 Liquid Tight Tubing

Heyco-Flex™ III Liquid Tight Fittings – Straight-Thru and 90° Sweep, NPT

Heyco-Flex™ II Liquid Tight Tubing

For more detailed size and specification information on any of these products and components go to www.heyco.com and type in the part description in the Heyco Part Search Bar at the top of the Homepage or e-mail sales@heyco.com

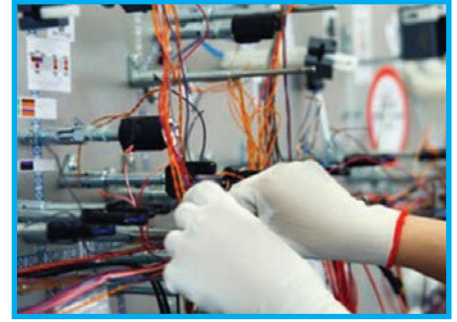

HVAC Component Applications and Markets

Commercial and Industrial Refrigeration Equipment and Systems
SIC Code 3585

Commercial Ventilation, Heating, Air Conditioning Manufacturing
NAICS Code 33341

Small Electrical Appliance Manufacturing NAICS Code 33521

Major Appliance Manufacturing
NAICS Code 33522

Power Boiler and Heat Exchange Manufacturing NAICS Code 33241

To access Rep/Distributor lists for the following areas:

Americas

Canada
Mexico
South America
US (by state)

International

Africa
Asia
Europe
Middle East
Pacific/Oceania
